CHAIRMAN'S MESSAGE

On behalf of the Bridgetown Rotary Club and the Marathon Organising Committee I would like to welcome you all to the 22nd Bridgetown Rotary Blackwood Marathon.

The strength of this event is the willing assistance received from the communities of Boyup Brook, Bridgetown-Greenbushes and our sponsors. Our sincere thanks go to the property owners who provide us with a magnificent course. The Fire Brigade and St Johns Ambulance, Brian Wheatley and his communication crew, the Police Department, the computer operators, stewards, time keepers, parking supervisors, service clubs, the local shires and the other helpers who give so generously of their time.

The Blackwood Marathon forms part of an extensive program of events held during the year in the Bridgetown/ Boyup Brook area. For those who enjoy our event we would suggest there are other activities that may interest you from Chamber Music to Wood Chopping, from Caber Tossing to Blues. Boyup Brook has its Autumn Art Affair and Harvey Dixon's Country Music.

All that remains is for you to have a safe and enjoyable day. We hope to see you at the finish for refreshments and presentations. This year for after Marathon entertainment we are sure you will find the local hotels have entertainment. For those who want a more relaxed family atmosphere with good music, good food and Marathon Result sheets available we would recommend the "Cidery".

MESSAGE FROM THE TRAFFIC DIRECTOR

The traffic controls for the 2000 are practically the same as 1999.

Due to the risk of accidents on Jayes Bridge, when there is a large number of spectators, the bridge will be closed to all vehicular traffic (except emergency and official vehicles, and this is at the discretion of the Senior Police Officer at Jayes Bridge) from 10.15am till 1.30pm, after which the bridge will be open for east bound traffic only.

To avoid being inconvenienced by this, traffic wishing to go from Jayes Bridge to the horse cycle changeover should park in the east side parking area, or if parking in the west side parking area, leave before 12.30pm by way of Flax Road to avoid one way controls on Winnijup Road.

If departure from the west side parking area is left later than this, it will be necessary to wait until 1.30pm when Jayes Bridge becomes open to east bound traffic.

Vehicles wishing specifically to go to the west side parking area (horse float area) at Jayes Bridge from the start at Boyup Brook Oval should go by way of Bridgetown-Boyup Brook, Brown Seymour Road and Jayes Road.

Vehicles wishing specifically to go to the west side parking area (horse float area) from the running-canoeing changeover should proceed south on Terry Road and cross the river by way of Terry Road crossing.

The east side parking area at Jayes Bridge will be the parking area from which all other points of interest can be universally reached.

As well as these controls, the most heavily congested roads have been made one way during peak traffic and event leg periods.

For those wishing to avert the heavier congested roads, please refer to advice in this programme given under 'Alternative Travel Routes'.

- South bound traffic only on Terry Road from junction with Stanton Road to junction with Jayes Road from 8.30am till 12.00 noon.
- 4. South bound traffic only on Terry Road-Jayes Road bypass track from 8.30am till 12.00 noon.
- Jayes Bridge between the two parking area inlets will be closed to vehicular traffic when there are large numbers of spectators on the bridge (except emergency and official vehicles, and this is at the discretion of the Senior Police Officer at Jayes Bridge) from 10.15am.

AFTER LUNCH

- Jayes Bridge between the two parking area inlets will be closed to vehicular traffic when there are large numbers of spectators on the bridge (except emergency and official vehicles, and this is at the discretion of the Senior Police Officer at Jayes Bridge) until 1.30pm, after which it will be open to east bound traffic only, till 3.00pm when controls cease.
- 2. North bound traffic only on Terry Road-Jayes Road bypass track from 12.00 noon till 3.00pm.
- 3. West bound traffic only on Terry Road from junction with Terry Road-Jayes Road bypass track to junction with Jayes Road from 12.00 noon till 3.00pm. Horse floats from the horse float parking area at Jayes Bridge not being able to get away by Jayes-Flax-Winnijup Road to the horse cycle changeover before 12.30pm, should wait till after 1.30pm (when Jayes Bridge becomes open to east bound traffic), then travel east across Jayes Bridge and follow signs to the cycle start, to avert one way controls on Winnijup Road.
- Horse carrying vehicles travelling west along Winnijup Road after picking up horses at the horse-cycle changeover will be diverted into Bridgetown via Elwin Road, which is adequately sign posted to be directed to the finish at the Sports Ground or to their camping area at the Bridgetown Show Ground.

EQUINE RULES

The equestrian part of the Blackwood Marathon is unique among endurance rides in W.A. Often the Blackwood is the first exposure of the horse to this type of event. It differs from other events too, in that the rider is under pressure as member of a team consisting often of people who have little or no knowledge of horses, therefore cannot appreciate the potential dangers pushing a horse (or allowing a horse to push itself) beyond its physical limitations. In the past the majority of teams competing in the Blackwood Marathon have been very conscientious in preparing, competing and caring for their horses. The low number of serious equine problems reflect the commitment and skill of the riders. Despite this, problems have occurred.

RULES

- a) The horse must be presented at the pre-ride veterinary examination by the RIDER.
- b) The horse must be fully and properly shod on all four feet.
- c) At the pre-ride veterinary examination the horse must, in the opinion of the examining veterinarians be able to complete the race without jeopardising the health of itself or the rider.
- d) The horse's heart rate must be at, or below 60 beats per minute within 30 minutes of crossing the finishing line, and in the opinion of the official veterinarians must not show any lameness or distress.

BRIDGETOWN HEAVY HORSE AND VINTAGE MACHINERY FIELD DAY

SUNDAY 29TH OCTOBER 2000

VENUE: "SPRINGFIELD PARK"
On the South West Highway at Yornup
COMMENCING: 10:00am

Biggest display in the South West

SEE YOU THERE FOR A GREAT DAY OUT

THINGS GET HEAVY AFTER THE MARATHON

Things don't stop in Bridgetown after the Marathon concludes. They just get heavy.

On Sunday October 29th, Bridgetown will host the Heavy Horse and Vintage Machinery Field Day. For only the second time local organisers Gerald Ritchings and Doddy Davis have undertaken this community event. It was previously held in 1993.

The field day will be held at Mr Ritchings property, 'Springfield Park' on the South West Highway in Yornup.

Mr Ritchings said the event organisers wanted to demonstrate how work on the land was implemented in the past. He said the original field day was a tremendous success and they saw no reason why this year couldn't be even better.

It is expected there will be about 40 working tractors, 70 stationary engines, 16 Clydesdale horses, along with vintage cars and motorcycles on show.

All funds raised on the day will be donated to the Royal Flying Doctor Services.

So if you need a relaxing day after a big event like the Marathon why not head on down to 'Springfield Park' on the South West Highway at Yornup and enjoy a look at the past and see how things were done before petrol was \$1.00 plus a litre.

You're guaranteed a great day and you'll be helping a worthwhile charity.

STARS OF THE PAST AND PRESENT

On these pages we'd like to pay tribute to, just some of, the stars who have ran, paddled, swam, ridden and cycled their way into Blackwood Marathon history.

The most successful team competitor in the Marathon's 22 years would have to be David Berglund. This year David will compete for the 21st time.

In the inaugural event in 1979, David took his team from 55th at the end of the running leg to 25th in the canoe leg. The following year he swam for the Safety Brakes team in hail and rain.

Safety Brakes is a well known team who were established as a family unit with David's cousin Steve as the cycler and his brother in law Keith Burridge as the paddler. After Keith was transferred to the country David took over the paddling duties and began an illustrious sporting career winning the State Canoeing Titles and going very close to Australian selection.

During David's long record of participation Safety Brakes has been, first 9 times, second, 4 times, third and fourth once, and it is fair to say the team has dominated the Marathon results. During his appearances for Safety Brakes, David has never ranked worse than third in the canoeing leg and he has set the fastest time 7 times and the second fastest 7 times. David Berglund, a legend of the past and present.

Keith Yardley is the only competitor to have competed in every Blackwood Marathon. Keith has competed in the running leg and has been a prominent member of teams who have often finished in the first three places. Geoff Harris is yet another of the stars who have chalked up a long list of Marathon appearances. Geoff missed the 1999 event however we are hoping to see this keen competitor back this year.

Olympian bronze medalist Raymond Anderson has been an outstanding competitor in the canoeing leg and often National commitments have prevented him entering as often as he would have liked. Ray has set the fastest canoe times on 8 occasions between 1985 and 1994.

Having set the fastest time for the running leg 9 times Ray Boyd is another well respected member of the Safety Brakes team. Recently he has taken up the mantle for his own family team. He has missed very few marathons, mainly due to Olympic trials, and he is rarely beaten over the Marathon's 12 kilometre hilly terrain. His times are usually between 34 and 36 minutes for the leg.

Bunbury athlete Kim Ranson competed in teams before trying his hand at the Ironman section of the Marathon in 1992. That year he finished second to the record holder Stephen Brown who finished in a time of 3 hours, 2 minutes and 6 seconds. After finishing second to Brown again in 1993 he produced a steady stream of excellent performances over a number of years. From 94 to 98 Kim won the Ironman section five times in a row before retiring from the event. In 1995 his time of 3 hours, 2 minutes, 13 seconds was just 7 seconds outside the race record.

THE HOST TOWN HAS LOTS TO OFFER

Bridgetown has played host to the Blackwood Marathon for 21 years.

Centrally situated in the Blackwood Valley it is not only famous for being the host town of the Marathon it is also the venue for some other exciting events.

The Festival of Country Gardens hosts its attractions and shows the beauty of the region twice a year. This year's Spring event ran from the 13th October until the 16th with some 22 gardens being displayed.

The Highland Games is now an Annual event held in May featuring pipe bands, dancing and the traditional heavy events such as 'tossing the caber', always a treat as we celebrate a little Scottish tradition. Don't forget to join the fun on 12th May.

Bridgetown boasts one of the oldest public golf courses in country Western Australia.
